

Self-Guided Heritage Sites Driving Tour

Every year, in honour of Heritage Week in BC, The Historic Stewart Farm leads a Heritage Sites Bus Tour in Surrey, featuring different neighbourhoods and sites each year. Once a week we will be sharing a portion of a past tour for you to try yourself. You can simply explore from your home by visiting the links under “More Info” or by watching the Google Earth presentation. Or you can click on the Google Maps link and drive the route yourself. Please be sure to respect private property as well as all traffic laws.

This week we feature a 23km route of a portion of South Surrey. You can compare homes built in the 1890s to a post-modern residence, look in on a turn-of-the-century cemetery and discover that trees can be heritage sites too.
