

Questionnaire: Project Scope of Work

City of Surrey
Trees and Landscape Section

April 2023

You must complete this questionnaire for your project. Projects include, but are not limited to, pools, additions, interior and exterior renovations, and accessory buildings. This questionnaire will be reviewed by a City Arborist and you will be contacted once the review is complete. Submit the completed questionnaire to treebylaw@surrey.ca.

Project Address:

1. Describe the scope of work for the proposed project, including all work inside and outside of the house.
2. How will you access the site?
3. What is the estimated project value?
4. How long will the project take to complete?
5. Will you be excavating on the property? Yes No
If you answered yes, will the off-cast soil be left on site? If yes, where?
6. Will you be upgrading any site services? (e.g., storm, water, sanitary, gas)
7. What type of machinery or tools will be used?

8. Will you have a debris bin onsite? Yes No

If you answered yes, where will it be located?

If you answered no, where are you storing debris?

9. Where will you store materials and equipment?

10. Are you updating any garden features or landscaping? (e.g., sheds, walkways, retaining walls, fences, patios, etc.)

11. Is the driveway being replaced or repaired?

12. Will a septic tank or rock pit be installed on site?

Additional Notes:

If you have any questions, please contact the Trees and Landscape Section at 604-591-4675.
