

Canadian Navigable Waters Act

The City of Delta hereby gives notice that an application has been made to the Minister of Transport, pursuant to the *Canadian Navigable Waters Act* for approval of the work described herein and its site and plans.

Pursuant to paragraph 7(2) of the said Act, The City of Delta has deposited with the Minister of Transport, on the on-line Navigable Waters Registry (<http://cps.canada.ca/>) and under registry number 6628, or, under the NPP File Number 2022-507965 a description of the following work, its site and plans:

Construction of a new small-scale salt marsh platform in a location with little to no existing marsh. This project is referred to as D1 Pilot and is part of the larger Coastal Foreshore Enhancement Project, a joint undertaking by the City of Delta, City of Surrey, and Semiahmoo First Nation. The D1 Pilot is located on the foreshore in front of the Boundary Bay Dyke extending 205 m east from 96th Street. The enhancement project sits entirely within the provincially-controlled Boundary Bay Wildlife Management Area.

Comments regarding the effect of this work on marine navigation can be sent through the Common Project Search site mentioned above under the Comment section (search by the above referenced number) or, by sending your comments directly to #820-800 Burrard Street, Vancouver BC, V6Z 2J8, if you do not have access to the internet.

However, comments will be considered only if they are in writing (electronic means preferable) and are received not later than 30 days after the publication of the last notice. Although all comments conforming to the above will be considered, no individual response will be sent.
